

THREE
BRIDGES

BUILT ON EXPERTISE

Powered by vision, we deliver the lines that connect progress.

ABOUT US

At Three Bridges, we are a partnership of three professionals Animesh Maheshwari, Neeraj Agarwal, and Nilesh Yadav with a shared vision of delivering excellence in power infrastructure, line material supplies, construction, trading, and lighting solutions.

We undertake complete project execution, from foundations and erection works to the commissioning of charged lines, ensuring quality, reliability, and safety at every stage.

With our collective expertise in engineering, procurement, and project management, we provide end-to-end solutions that meet the highest industry standards. Our work spans transmission and distribution networks, street lighting systems, and high mast installations, all supported by trusted supply networks and efficient field execution capabilities.

At Three Bridges, we are committed to delivering projects that are technically sound, cost-effective, and executed within stipulated timelines, while adhering to all safety and regulatory norms.

SERVICES

AT THREE BRIDGES, WE OFFER A COMPREHENSIVE RANGE OF SERVICES:

- **Power Line Construction & Commissioning**

We manage transmission and distribution lines from groundwork and erection to final energization.

- **Line Material Supply & Trading**

We supply and source high-quality materials and equipment for power and lighting networks.

- **Lighting Solutions**

We design, supply, and install street lighting, high mast systems, and landscape lighting with a focus on efficiency and durability.

- **Civil & Electrical Infrastructure**

We provide complete support for foundations, structural works, cabling, and electrical installations.

- **Turnkey Project Execution**

We coordinate every stage, from planning to commissioning, ensuring timely delivery with precision and professionalism.

- **Maintenance & System Upgradation**

We offer reliable post-project services to maintain performance and enhance operational efficiency.

PRODUCT RANGE

TRANSMISSION & DISTRIBUTION

We provide a wide selection of Transmission and Distribution Materials, ensuring reliability, quality, and compliance with industry standards:

ACSR / MVCC
Conductors.

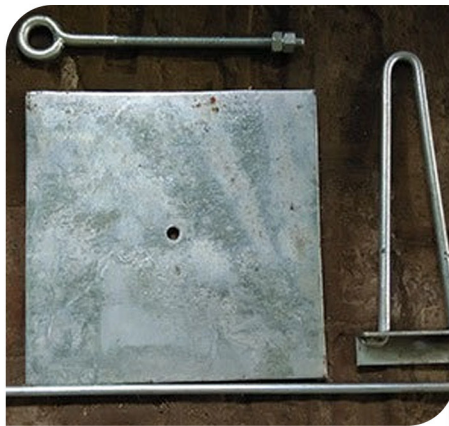

HT & LT XLPE
Power Cables

33kV / 11kV / LT Insulators
(Pin & Disc)

GI/ MS channels,
Angles & Cross Arms

Stay Sets,
Earth Sets & Clamps

Pole Line Hardware
& Fittings

AB Cables
& Accessories

Testing
Equipments

G.O.A.B. Switch
& D.O. FUSE

PRODUCT RANGE

LIGHTING & ELECTRICAL

LIGHTING & ILLUMINATION SOLUTIONS

Street Lighting Poles
(Octagonal / Tubular)

High Mast
Lighting Systems

LED Street
& Flood Lights

Smart / Solar
Lighting Solutions

Landscape &
Decorative Lighting

ELECTRICAL & CONTROL EQUIPMENT

LT Panels &
Feeder Pillars

Switchgear, Isolators
& Fuse Units

Cable Jointing Kits
& Terminations

Control & Protection
Devices

Distribution Boards
& Meter Boxes

TRADING & ALLIED SUPPLIES

Transformers &
Substation Accessories

Safety Tools & Installation
Equipment

Hardware, Fasteners
& Consumables

Earthing & Lightning
Protection Systems

VISION & VALUES

We are driven by integrity, professionalism, and performance, and our goal is to build long-term partnerships with our clients by consistently delivering dependable infrastructure solutions that power progress and light up communities.

Every project we undertake whether a small-scale lighting installation or a large transmission network is approached with precision, accountability, and a focus on sustainable, reliable outcomes.

At Three Bridges, we bring together years of experience in engineering, procurement, construction, and project management. Our shared vision drives us to deliver reliable, high-quality infrastructure solutions that meet the needs of our clients.
